MONITORING MOTHS

Butler Preserve

Parking/Meeting Space: Greater Hazleton Rails to Trails
Hazle Township, PA 18201

Spend a night under the stars with North Branch Land Trust and entomologist experts David Trently, Roxana Mery, and Staci Gibson for an engaging program of attracting, observing, and identifying local moths.

Get close to our nocturnal insects and be sure to bring your camera to capture these beautiful creatures!

SATURDAY JULY 19TH, 8:30-10:00 PM
